

Adoption Sleepover Agreement

Please print this agreement out, fill it out and bring it in with you when you come in to pick up the dog you are interested having the sleepover with.

This program is an opportunity for you to:

Interact with your possible new family member on a 1 on 1 basis. We developed this program, so you can see if you and our BARX dog will be a good match & fit well within your family. You acknowledge that this is a temporary adoption agreement and you agree to give back the BARX dog that you are interested in, on the date agreed upon. If at that point you decide that the BARX dog is a perfect match for you and your family, at that time, you agree to fill out a adoption contract and pay the adoption fee. You agree to treat the BARX dog like a member of your family and to feed, house, walk and care for him during this time. You also agree to contact BARX Rescue Squad with any questions or concerns during the BARX dog's temporary visit.
